

S

Dear Parents and Guardians,

In an effort to simplify things, we are asking each student for a minimum donation of \$10 to cover the cost of class parties.

This donation does not include the end of the year picnics for each grade. A flyer for those picnics will be sent home in June.

Several schools in town have had success with this method. It eliminates the issue of duplicate items being sent in as well as the children having to carry these items into school. The class captain will shop for supplies requested by the teacher. The teachers will keep all collected money as PTA rules do not allow the class captains to hold onto collected money.

Please send \$10 cash in a sealed envelope with your child's name marked "CLASS PARTIES" as soon as possible. Halloween is just around the corner!

If you have any questions, feel free to speak with your teacher or email BHPTA1@GMAIL.COM.

Sincerely,

Anita Laverty, BHPTA President
